Mission, TX 78572-7426

## CODING FOR BEGINNERS & INTERMEDIATE HOME CARE CODING With Lisa Selman-Holman

\*Although this is a great class for getting ready for the BMSC exam, the exam will not be offered \*  
Need More Information? Call: (877)221-3437 or (214)550-1477  
Online HCSD Exams Go to [www.medicalspecialtycoding.com](http://www.medicalspecialtycoding.com) for more information.

**Coding for Beginners:** That coding book is user friendly if you know how to use it. This short class is the *how to* you need to tune up for the intermediate class. You'll be strumming along before you know it.

\*Coding for Beginners provides **3.75 Nursing Contact Hours** and **3.75 clock hours** for Administrators/Alternates; **3 CEs** toward fulfilling the HCS-D Certification maintenance requirements. \*

**INTERMEDIATE HOME CARE CODING:** Think you have the basics down pat? We start with a quick overview of fundamental coding skills and, then, progress to coding in PPS, with special attention to coding the case mix diagnoses appropriately. Those who code accurately shouldn't miss out on the case mix points that less skilled coders may miss, nor should they be accused of upcoding. With governmental entities and contractors such as the OIG, PGBA and the ZPICs targeting homecare, this is the time to ensure that your coders are coding correctly and to protect your revenue. This class will provide plenty of opportunity to try out your skills in coding common home care scenarios, along with more complex scenarios. Application of the official guidance is the name of the game. Find out how diagnoses affect your outcomes and discuss those diagnoses causing problems in medical review. This seminar is a good preparatory for taking the HCS-D exam.

\*Intermediate Coding provides **9.75 Nursing Contact Hours** and **9.75 clock hours** for Administrators/Alternates; **10 CEs** toward fulfilling the HCS-D Certification maintenance requirements. \*

Selman-Holman & Associates, LLC is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
